Homework 8 due 3/27/18

Posted Mar 20, 2018 1:05 PM

All must be done by hand unless indicated otherwise.

11.1

11.5

11.9 (R can be used in parts a and c.)

11.17 (a)

11.21 (Since Y_1, \dots, Y_n are independent normals, then $\text{Cov}(\text{betahat}_0, \text{betahat}_1) = 0$ does imply independence.)

11.30 (a)

11.32
